BLOCK 4: Contractor format acceptable

BLOCK 12 & 13: The Contractor shall provide the draft COTS manual 60 days after contract award. The Government will review for technical content and format and provide written comments within 30 DAR of the draft COTS manual. The Contractor shall provide the corrected copy within 30 DAR of Government comments. The Government will then perform a verification of the COTS manual to verify conformance to the approved PBL and System requirements. The Contractor shall incorporate all changes resulting from the verification process at no additional costs to the Government. Subsequent changes thereafter will be via ECP process. COTS manuals shall be delivered in digital format via physical delivery.

BLOCK 14b: Government shall have Government Purpose Rights to provide for reproduction and use for Government purpose only. Physical delivery shall be by hard copy and CD-ROM in Microsoft Word/Excel/Powerpoint with viewer software. All data files used to develop this CDRL shall be provided. Mail the CD-ROM and hardcopies of the Draft technical manual. Upon incorporating changes and approval, mail the final copy.
The Contractor shall provide one hard copy sized 4" x 5.5", waterproof/resistant paper, spiral bound and one CD-ROM with each System.
