

Packing And Marking of
Cartridge, 5.56mm, USMC Special Match, Moly Coated
DODIC/NALC: AA67

1. The 5.56mm USMC Special Match, Moly Coated ammunition packing and marking shall be in accordance with the drawings listed in Table I.
2. During or immediately prior to the packaging operation, 100% examination of the cartridges shall be performed to ascertain that the lot does not contain a blank cartridge or a cartridge with the bullet missing. Examination shall be visual or by means of a Government approved inspection system. All non-conforming cartridges shall be removed from the lot. Inspection for packaging, packing and marking shall be in accordance with MIL-STD-644 as applicable to the drawing.
